**ADVERTISEMENT FOR BIDS AND LEGAL NOTICE
CLARK COUNTY WATER RECLAMATION DISTRICT**

**CORROSION MANAGEMENT PLAN PHASE 2 BID PACKAGE NO. 2
CCWRD PROJECT NO. 621-PO2 – REBID
PWP NO. CL-2011-45**

NOTICE IS HEREBY GIVEN that the Board of Trustees of the Clark County Water Reclamation District (District) invites and will receive sealed Bids at the Customer Service counter located in the District's new Administration Building, 5857 East Flamingo Road, Las Vegas, Nevada 89122, at or before the hour of 2:00:00 p.m., local time, on February 9, 2012, for construction of CORROSION MANAGEMENT PLAN PHASE 2 BID PACKAGE NO. 2. Bids will be received and time clock recorded by the District's Purchasing and Contracts representative. Bids received after 2:00:00 p.m. will be deemed late. Immediately after the Bid closing time, timely Bids will be publicly opened and read aloud.

A prebid conference will commence at 1:00 p.m. local time on January 5, 2012 in the District's new Administrative Building. It is strongly recommended that all interested Bidders attend the prebid conference. A site visit will follow after the prebid conference is completed.

The Work includes: Rehabilitation of 66-inch to 90-inch mortar lined steel, Aerated Grit Basin influent and effluent pipes with fiber reinforced composite lining. Rehabilitation of 66-inch and 84-inch pre-stressed concrete cylinder Primary Clarifier Influent & Effluent pipes with cured in place pipe lining. Rehabilitation of Primary Clarifier Effluent Boxes #4 & #6 with PVC liner. Installation of 12-inch Aerated Grit Basin above and below grade foul air ducts, and all associated supports, dampers, and appurtenances. Installation of 12-inch foul air duct in Screenings Room, including all required supports and appurtenances. Miscellaneous HVAC modifications in the Screenings and Grit/Screenings Buildings. Installation of cathodic protection system on existing buried and above ground natural gas piping. Installation of corrosion monitoring coupons on existing buried ductile iron and prestressed concrete cylinder piping. Replacement of Return Activated Sludge (RAS) piping and CCTV inspection of remaining RAS piping before installation of new piping. Purchase and installation of new Odowatch System including four e-noses, one sulfnose, and one weather station at the Advanced Wastewater Treatment (AWT) Plant. Relocation and recalibration of existing e-noses, and purchase and installation of one new sulfnose at the Central Plant. Purchase and installation of PC and monitor at AWT Plant.

The Site of the Work is located at: Clark County Water Reclamation District Central and AWT Plants, Las Vegas, Nevada.

Project Partnering shall be required for this project as specified in Section 01 31 21.

Physical Notice to Proceed (PNTP) shall be reached within 120 Days of Administrative Notice to Proceed (ANTP), and the Work shall be Substantially Complete within 548 days after the commencement date of the ANTP. The Work shall reach Final Completion within 640 days after the ANTP date.

For further information, please contact the Design Consultant:

Ms. Xiaomo (Molly) Du, P.E.
HDR Engineering, Inc.
7180 Pollock Dr., Suite 200
702-938-6048
702-938-6060 (fax)
xiaomo.du@hdrinc.com

Bidders requiring clarification or interpretation of the Bidding Documents shall do so in writing to reach the Design Consultant listed above by 5:00 p.m., local time, on January 18, 2012. Questions received after this time and date may not be answered.

The District will not award the Contract to a person who at the time of the Bid is not properly licensed under the provisions of NRS Chapter 624 or if the Contract would exceed the limit of the Bidder's license. The Bidder's Nevada State Contractor's license number, classification, and complete information shall be entered on the Bid Form.

Bidders shall guarantee their Bids for a period of 90 Days after Bid opening.

Drawings and Specifications may be examined and obtained from the Design Consultant listed above. Drawings and Specifications are available in Compact Disk (CD) format only. The CD will be provided at no charge.

<u>Description</u>	<u>Charge</u>
CD ROM including Drawings and Specifications in PDF format.	\$0

Shipping costs for above documents shall be paid for by the Bidder. Charge for shipping by regular mail is \$5. Shipping by overnight delivery requires Bidder to provide a shipper's account number. Please make all checks payable to the Clark County Water Reclamation District.

Bids shall be accompanied by a proposal guarantee in the form of a cashier's or a certified check, cash, or Bidder's Bond in an amount not less than 10 percent of the Bid, made payable to or for the benefit of the District.

Neither the District nor the Design Consultant have any responsibility for the accuracy, completeness, or sufficiency of any Bid Documents obtained from any source other than the source indicated in these documents. Obtaining these documents from any other source(s) may result in obtaining incomplete and inaccurate information. Bidders are hereby advised that obtaining these documents from any source other than directly from the source listed herein may also result in Bidders' failure to receive addenda, corrections, or other revisions to these documents that may be issued.

COMPLY WITH NRS 338.147 FOR THIS PROJECT. REFER TO ARTICLE 15 OF THE INSTRUCTIONS TO BIDDERS FOR BID PREFERENCE PROVISIONS.

COMPLY WITH NRS 338.141 FOR THIS PROJECT. REFER TO ARTICLE 30 OF THE INSTRUCTIONS TO BIDDERS FOR PREFERENTIAL EMPLOYMENT PROVISIONS.

The DISTRICT is committed to promoting full and equal business opportunities for all persons doing business in Clark County. The successful bidder acknowledges that the DISTRICT has an obligation to ensure that public funds are not used to subsidize private discrimination. The successful bidder recognizes that if they or their subcontractors are found guilty by an appropriate authority of refusing to hire or do business with an individual or company due to reasons of race, color, religion, sex, sexual orientation, gender identity or gender expression, age, disability, national origin, or any other protected status, the DISTRICT may declare the successful bidder in breach of contract, terminate contract, and designate the successful bidder as non-responsible.

The successful bidder to whom the DISTRICT awards the contract will be bound by federal, state, and local laws regarding minimum wages, overtime work, hiring, and discrimination, including NRS 338.020 through NRS 338.090. Bidders are responsible to identify and use the correct prevailing wage rates, including addenda, as well as the forms needed to comply, as specified by the State of Nevada Labor Commissioner and in effect on the date bids are received.

The DISTRICT encourages all bidders to consider the utilization of local/small/minority/women-owned/and physically challenged business suppliers, service providers, consultants, and contractors in all of its projects and proclaims its continuing efforts and desires that these businesses be provided the maximum opportunity to participate in the performance of this project.
