

Sewer Development Approval Fees

Following are the Sewer Development Approval (connection) fees, as approved by the Clark County Water Reclamation District Board of Trustees.

The Clark County Water Reclamation District uses a universal rate system, where all service areas are charged the same SDA fees, with the exception of connections in Laughlin and customers converting from private septic systems.

Effective Dates	SDA Fee (Charges for connecting to the District's System)		
	District Service Areas*	Laughlin	Septic Conversion**
07/01/2011-06/30/2012	\$2,066	\$1,600	\$1,600
07/01/2012-06/30/2013	\$2,195	\$1,600	\$1,600
<i>*All other Service Areas, excluding Laughlin</i> <i>**Customers, in all Service Areas, converting from Septic Systems</i> <i>All amounts, per ERU</i>			

Amounts listed are charged per ERU (Equivalent Residential Unit, or Single Family Residence).
