

Sewer Service Rates and SDA Fees Effective July 1, 2008

On May 6, 2008 the Clark County Water Reclamation District Board of Trustees approved annual increases in sewer service charges and SDA fees, effective July 1, 2008 through June 30, 2013.

The Board of Trustees also approved the implementation of Universal Rates. Therefore, all service areas are charged the same annual amount for sewer service fees, per ERU.

The Universal Rate structure also applies to SDA fees (excluding Laughlin and customers converting from private septic systems).

Effective Dates	Annual Sewer Service Charges	SDA Fee (Charges for connecting to the District's System)		
		All District Service Areas	District *Service Areas	Laughlin
07/01/2008 - 12/31/2008	\$190.12	\$2,436	\$1,600	\$1,600
01/01/2009 - 06/30/2009	\$190.12	\$2,547	\$1,600	\$1,600
07/01/2009 - 06/30/2010	\$202.01	\$2,692	\$1,600	\$1,600
07/01/2010 - 06/30/2011	\$213.70	\$2,836	\$1,600	\$1,600
07/01/2011 - 06/30/2012	\$226.08	\$2,987	\$1,600	\$1,600
07/01/2012 - 06/30/2013	\$238.12	\$3,137	\$1,600	\$1,600
<p><i>* All other Service Areas, excluding Laughlin</i></p> <p><i>** Customers, in all Service Areas, converting from Septic Systems</i></p> <p><i>All amounts, per ERU</i></p>				

Customers with pools, which includes swimming pools, non residential spas, decorative fountains, waterscapes, lagoons, spas, & hot tubs, will have an additional charge added to the annual charge.

For 20,000 gallons or less, the charge is 10% of the annual sewer service charge. For each additional 20,000 gallons, or fraction thereof, an additional 10% of the annual service charge will be assessed.

Amounts listed are charged per ERU (Equivalent Residential Unit, a.k.a. Single Family Residence).
 In addition to the annual sewer service charge, each account is assessed a \$16.00 annual service fee.
 A \$12.00 discount is given to all accounts paid-in-full by July 31st.
